2. If the premium is paid by cheque, seven days is required for clearance before releasing the Guarantee. Cheque or Postal Order to be submitted with your order.
3. It must be clearly understood that this insurance guarantee, if taken up, does not relieve you of paying duty should the necessity arise. Our Guarantee merely enables you to take the vehicle out of Great Britain without having to freeze a lump sum in this country.

The cost of providing the guarantee is normally 10% (+ Insurance Premium Tax) of the indemnity requirement as stated under question 13 on the front of this form.

When you return the Carnet de Passage to RAC, duly discharged, we will reimburse 50% of the premium paid plus tax. Because all the funds have been paid onto insurers and we normally recover them once a month there could be a delay in obtaining and passing these funds back onto you.

---

As you will appreciate, this is not an insurance that will cover loss or damage to the vehicle itself. It only covers the import duty that the RAC are liable to pay under the Carnet de Passage system.

Should you require cover for loss or damage to the vehicle then you should contact:

Campbell Irvine (Insurance Brokers) Ltd, 48 Earls Court Rd, London, W8 6EJ. ( 020 7937 6981)

who may be able to offer you coverage.
